

Your application dossier must contain the following information:

1. Name and address of the organizer

Please indicate the exact address of the organizer (organizer, address, place, email address, "fax"-number, telephone number, mobile number, and homepage)

2. OC president

Please state who will figure as the OC (organizing committee) president and state all personal details of the OC president. In particular, we need name, address, telephone number, mobile telephone number, email address and "Fax" of the OC president.

3. Year of organization

Please state when you would like to organize the world championship. If possible indicate more than one year for the organization. The IALC usually has to make a choice from several applicants. Your chances are increased if you can indicate more than one possible year of organization. Please state the month of the planned world championship

4. Place of competition

Please state where in your country you would like to organize the world championship. We appreciate if you can add pictures of the competition place to your application "dossier". Please state if you plan additional events that make the world championship more attractive for spectators and media ("fare", or other larger events). Please add a true to scale plan of the competition place in your application dossier. On the plan you should indicate where commercial can be placed and where there is room for exhibitors.

5. Board and accommodation

Please state where and how you will accommodate the competitors, accompanying people and guests (hotels, etc.)

6. Financial budget

Please make a detailed budget and plan how you will finance the world championships.

7. Schedule of the World championship

Please make a tentative schedule of the planned world championships (number of competition days, type and dates of the organization of the different disciplines, activities of the ialc such as general assembly, etc.). Please also state if you plan the discipline tree felling in the forest or together with mast felling on the competition place.

8. Accompanying program for guests and fans

Please make a program for accompanying people and fans. State the price for fans for the participation in the program. Also state how fans can inscribe for the program.

9. Referees

Please name the number and if possible the name and addresses of the referees that you will use in the competition.

10. Evaluation of the competition data

Please state how you will conduct the evaluation of the competition data (computer program, list of names and addresses of the people in charge of the evaluation office).

11. Spectators and media

Please estimate the number of expected spectators and media (television, broad-casting, printed media, etc)
